LinkIT®

Wall boxes

LinkIT EuroModule Brush L White
4 Slot/100x50mm. Brush for cables

Product number: 53-3147-W

Product Description

Have you installed your cables into the wall but have not used a wall plate to finish it off and the cables are simply coming out of an untidy hole in the wall? This module with brushes simply clicks into a double gang wall plate frame of your choice.
