LinkIT Bag for table well imitation leather

Product number: BBPOSE01

El-number: 6956074

Product Description

Bag that is mounted under table wells with loose cables. The bag is made of black imitation leather, which gives a far more professional look than bags of fabric. The bag has two strips at the top to screw the bag to the table top. Velcro that goes all the way, makes it easy to carry through cables anywhere in the bag.
