

HuddleSwitch Essential

USB-C | HDMI+USB-B | BYOM / BYOD / KVM

Product number: HuddleSwitchEss

Product Description

Simplify your meeting room usage with this smart and compact box from Stoltzen. Connect cameras, microphones, sound and video bars, and more to the device, and the last connected source will gain access to the USB equipment. Perfect for AutoSwitching between portable and/or fixed sources. This box solves the challenge of having a permanently installed meeting room PC while also providing the option for BYOD (Bring Your Own Device) connectivity directly from the table and sharing USB devices between them.
