Product Datasheet

Wall Duct

Stoltzen TALOS K35BL-2 Channel 2meter Black

35x20mm channel Black w / tape

Product number: K35BL-2

Product Description

Wall duct in 35x20mm size is perfect for 2-5 cables, where you want a clean and tidy installation. Our range of accessories means that you can always choose aesthetically, and technically, the best for the job. The ducts are delivered with tape on the back, and can also be easily screwed through with screws for extra good fastening. The lid is attached to the duct, so the installation is incredibly simple and efficient.
