

## Sealing solution

### LinkIT Outdoor Patch gland w/lock nuts

Cable gland outdoor patch | black

Product number: LI-C6A-OUT-GLAND

## Product Description

This sealing solution is designed for a variety of cables, including network cables, industrial cables, and power cables. It offers a wide range of cable sizes, from PG7, PG9, PG11, PG13.5, PG16 to PG19. With complete IP67-rated connection protection, including IP67 cables, IP67 cable glands, and IP67 bulkheads, the solution ensures reliable protection against dust and water. The cable glands are made from premium Nylon 66 material and meet IP68 standards for maximum protection. They are suitable for cables with diameters ranging from 3 mm to 16 mm (0.12 inches to 0.63 inches) and are resistant to acids, alkalis, heat, and flames. This versatile solution is ideal for use in wire splices, machinery control boxes, and distribution panels.

## Main Specifications

<b>Brand</b>	LinkIT
