

Fiber Accessories

LinkIT Fiber Adapter SC/SC duplex blue Singlemode, For clips and screw mounting

Product number: LI-FASCSCSM-CFB

Product Description

High-quality fiber-optic couplings with ceramic sleeve are the perfect complement to the installation of junction boxes. Each coupling is equipped with a dust protection cup to protect the sleeves from dust. Furthermore, the couplings are supplied with suitable mounting material, so that they can be installed and attached to the front panels.
