STOLTZEN®

Control system

Stoltzen Poseidon W10A11 10" Touch Panel

Product number: W10A11

Compatible with **TRIDENT™** **FLOW**

Product Description

Stoltzen Poseidon W10A11 is a 10" Android TouchScreen controller with a powerful RK3566 Quad-core CPU, delivering seamless automation. The 1280x800 touch panel, 500nit brightness, and robust connectivity options make it an ideal solution for smart control and integration. With a metal case, versatile mounting options, and a temperature range of -5° to 70°, it ensures reliable performance in diverse settings.
